| 16:30-16:50 | Endoscopic diagnosis of biliary lesions   | 이광혁 (성균관대의대) |
| 16:50-17:10 | Preoperative functional assessment for major hepatectomy  | 김봉완 (아주의대)   |
| 17:10-17:20 | Discussion  |              |

17:20-19:00 **환영 리셉션 & 출판 기념회**

Sep. 9

## 09:00-10:50 Symposium 3. Big 4 Hurdles of HBP Surgery

좌장: 김선희 (서울의대)  
왕희정 (아주의대)

- |             |  |              |
|-------------|--|--------------|
| 09:00-09:15 | Long-standing pancreatic fistula             | 백광열 (가톨릭대의대) |
| 09:15-09:25 | Commentator (How I do it?)                   | 김송철 (울산의대)   |
| 09:25-09:40 | Post-operative bleeding after pancreatectomy | 정치영 (경상대의대)  |
| 09:40-09:50 | Commentator (How I do it?)                   | 최성호 (성균관대의대) |
| 09:50-10:05 | Post-operative liver failure                 | 김성훈 (연세의대)   |
| 10:05-10:15 | Commentator (How I do it?)                   | 서경석 (서울의대)   |
| 10:15-10:30 | Never-ending biliary fistula                 | 정동환 (울산의대)   |
| 10:30-10:40 | Commentator (How I do it?)                   | 강구정 (계명대의대)  |
| 10:40-10:50 | Discussion                                   |              |

10:50-11:10 **Break**

## 11:10-12:05 Symposium 4. Late Complications after HBP Surgery

좌장: 최동욱 (성균관대의대)  
김상걸 (경북대의대)

- |             |  |              |
|-------------|--|--------------|
| 11:10-11:25 | Portal vein thrombosis and stricture         | 김현범 (국립암센터)  |
| 11:25-11:40 | Bilio-enteric anastomosis stricture          | 홍태호 (가톨릭대의대) |
| 11:40-11:55 | Metabolic complications after pancreatectomy | 강창무 (연세의대)   |
| 11:55-12:05 | Discussion                                   |              |

12:05-12:20 **Introduction of New-comers**

윤동섭(연세의대)

12:20-13:10 **Luncheon**

## 13:10-14:10 Special Lecture 2. 영화로 보는 클래식이야기

영화로 보는 클래식이야기

좌장: 김형철 (순천향대의대)  
김이곤 (뉴클레식)

14:10-14:30 **Break**

## 14:30-16:30 Symposium 5. ALPPS vs. PVE (English session)

Chairs: Kyung-Suk Suh (Seoul National Univ.)  
Hee Chul Yu (Chonbuk National Univ.)

- |             |   |  |
|-------------|---|--|
| 14:30-15:00 | Recent progress of ALPPS and international ALPPS registry |  |
| 15:00-15:30 | Experience of university of Hong Kong                     | Albert Chan (The University of Hong Kong, Hong Kong) |
| 15:30-15:50 | ALPPS in Korea  | Young Mok Park (Pusan National Univ.)                |
| 15:50-16:10 | Recent progress of PVE                                    | Shin Hwang (Ulsan Univ.)                             |
| 16:10-16:30 | Case panel discussion                                     | Dong Sik Kim (Korea Univ.)                           |

16:30-17:00 **폐회식**
